

**CLOSURE OF SMART LANE FROM KULAI TO SEDENAK AT KM26.7 TO KM33.7 (NORTHBOUND) ON THE PLUS HIGHWAY FOR LANE WIDENING WORKS**

**Petaling Jaya, 19 July 2025** – As part of its ongoing efforts to enhance highway infrastructure, PLUS Malaysia Berhad (PLUS) will be closing the Smart Lane between Kulai and Sedenak at KM26.7 to KM33.7 (Northbound) starting from 21 July 2025. The closure is necessary to facilitate on-going lane widening works in the area.

During the construction period, the existing two lanes at the affected stretch will remain open to maintain traffic flow and minimise disruptions for highway users. Meanwhile, the Smart Lane between Senai and Kulai at KM19.0 to KM26.7 (Northbound) will continue as usual.

Highway users are encouraged to plan their journeys using the PLUS App for the latest traffic updates. Users are also reminded to obey all traffic signages and instructions issued by PLUS personnel when passing through the construction zone.

For real-time traffic updates and assistance, users may also refer to the PUTRI Virtual Assistant, X@plustrafik, electronic signboards (VMS) at selected locations, or contact PLUSLine at 1800-88-0000 in case of emergencies.

PLUS appreciates the patience and cooperation of all highway users throughout the duration of these works, which are being carried out for the greater safety, comfort, and convenience of all.
