

4 UNITS OF ENFORCEMENT VEHICLES HANDED OVER BY PLUS STRENGTHENS PDRM'S HIGHWAY ENFORCEMENT

Petaling Jaya, 27 October 2025:- To strengthen the strategic collaboration that has been made for over 30 years between Royal Malaysia Police (RMP) and PLUS Malaysia Berhad (PLUS) as well as the consistent commitment in ensuring the safety of highway users, PLUS have handed over the enforcement vehicles to RMP in a ceremony held at the RMP Headquarters, Bukit Aman today.

A total of four (4) units of Honda CRV (1.5 Turbo) have been handed over by the Managing Director of PLUS, Datuk Nik Airina Nik Jaffar to the Inspector-General of Police, IG Dato' Sri Mohd Khalid Haji Ismail.

The handover ceremony was also attended by the Director of Logistic and Technology Department RMP, CP Gilbert AK Philip Layang; Deputy Director (Enforcement/Traffic Control/Summons Management) Traffic Investigation and Enforcement Department PDRM, DCP Mohd Rozi Jidin; Secretary of the RMP, DCP Dato' Kamaruzaman Abdullah; PLUS Operations Senior General Manager, Mohd Yusuf Abdul Aziz; along with senior managements from RMP.

The handover of enforcement vehicles to RMP aims to further strengthen the Expressway Mobile Patrol Vehicle (EMPV) RMP in effectively carrying out law enforcement, patrolling and monitoring along the PLUS-operated highways.

This initiative represents one of the strategic collaborations between PLUS and RMP to ensure a safe journey on the highway while enhancing the enforcement efficiencies along the PLUS highway stretch.
