

**EMERGENCY MAINTENANCE WORKS AT PUTRA HEIGHTS –
BANDAR SAUJANA PUTRA, ELITE HIGHWAY**
- Right lane and middle lane at KM14.1 – KM14.8 closed
- Smart Lane activated

Petaling Jaya, 23 February 2026 – PLUS Malaysia Berhad (PLUS) wishes to inform that the right lane and middle lane along the Putra Heights to Bandar Saujana Putra stretch at KM14.1 to KM14.8 on the North-South Expressway Central Link (ELITE) has been temporarily closed to facilitate emergency maintenance works at the location.

To minimise traffic disruption and assist in smoothing traffic flow, the Smart Lane has been activated along the affected stretch.

As of 9:00 PM, PLUS together with the Emergency Response Team (ERT) from the relevant authorities are at site to carry out further investigation and technical assessment.

PLUS is closely monitoring the situation and will provide updates from time to time should there be any significant developments. Highway users are advised to adhere to all traffic instructions at the location and to plan their journeys accordingly.

Highway users are advised to use alternative routes when traveling southbound or to KLIA to avoid traffic congestion at the affected area.

Motorists are also encouraged to drive cautiously and to obtain the latest traffic updates via the X account @PLUSTrafik, the PLUS mobile application, electronic Variable Message Signs (VMS), the virtual assistant PUTRI, as well as PLUS' official social media platforms.

In the event of an emergency or if assistance is required, highway users may contact PLUSLine at 1800-88-0000, press the SOS button on the PLUS application, or seek assistance via the virtual assistant, PUTRI.

PLUS appreciates the cooperation and understanding of all highway users.
