

FOR IMMEDIATE RELEASE

31st JULY 2026**ACTIVATION OF CONTRA FLOW ON THE BUKIT GAMBIR
INTERCHANGE - TANGKAK STRETCH FOR BRIDGE BEAM
LAUNCHING WORKS ON THE NSE**

Petaling Jaya, 31 July 2026:- PLUS Malaysia Berhad (PLUS) wishes to inform that a contra flow will be activated in stages on the Bukit Gambir Interchange - Tangkak stretch on the North-South Expressway (NSE) to facilitate the bridge beam launching works by the Public Works Department (JKR) contractor.

As such, the contra flow will be activated in stages as follows:

Phase	One	Two
Location	KM165.9 to KM167.9 (North Bound)	KM167.9 to KM165.9 (South Bound)
Date	3 August to 6 August 2026	10 August to 13 August 2026
Time	10.00 pm to 5.30 am	10.00 pm to 5.30 am

(Please refer to the attached Infographic for details)

Highway users are encouraged to plan their journeys during this period. They are also reminded to obey with all traffic signages and follow instructions given by PLUS personnel when passing through the affected areas.

For the latest traffic updates, highway users can refer to the PLUS App, PUTRI Virtual Assistant, X @plustrafik or Electronic Signages (VMS) at selected locations. Highway users can also contact the PLUSLine at 1800-88-0000 for emergency assistance.
