

PLUS EXPANDS JUSTGO #LANE FREEDOM EXPERIENCE FROM NORTHERN REGION TO SOUTHERN REGION

Petaling Jaya, 15th July 2026:- PLUS Malaysia Berhad (PLUS) is expanding the JustGO #LANE FREEDOM experience to six additional toll plazas in the Southern Region from 10.00 am on Wednesday, 15 July 2026.

The latest activation spans the Seremban-Port Dickson Highway (SPDH), North-South Expressway (NSE) and Second Link Expressway (LINKEDUA). The six toll plazas are Mambau and Lukut Toll Plazas on SPDH, Kempas Toll Plaza on the NSE, as well as Tanjung Kupang, Lima Kedai and Perling Toll Plazas on LINKEDUA.

As one of the participating highway concessionaires on the JustGO platform, PLUS is pioneering the rollout of Malaysia's first Automatic Number Plate Recognition (ANPR) open payment tolling system across its highway network. Registered users can pay tolls using their vehicle number plate and enjoy #LANE FREEDOM at activated toll plazas.

#LANE FREEDOM allows registered users to enter and exit through any available lane without being restricted to dedicated lanes based on payment mode.

ANPR cameras read registered vehicle number plates and process toll payments through the payment card linked in the JustGO app. Users only need to download the mobile app, register their account and vehicle, and link a payment card.

JustGO was first introduced on the PLUS-operated NSE through a public pilot at nine (9) toll plazas between Hutan Kampung and Sungai Dua in January 2026. The rollout was later extended to the Jitra Toll Plaza on the NSE, as well as Lunas and Kubang Semang Toll Plazas on the Butterworth-Kulim Expressway (BKE) in June 2026.

The Southern activation marks the next phase of the JustGO rollout across the PLUS highway network, ahead of the planned activation at all toll plazas operated by PLUS beginning August 2026.

The full list of activated JustGO locations is provided in **Appendix A**.
