PLUS IMPLEMENTS TEMPORARY EMERGENCY LANE CLOSURE BETWEEN BIDOR AND TAPAH FOR BRIDGE BARRIER UPGRADING WORKS

Petaling Jaya, 13 November 2026: PLUS Malaysia Berhad (PLUS) is carrying out works to upgrade the bridge barriers at KM329.55 (Northbound), between Bidor and Tapah on the North-South Expressway until 15 January 2027, to improve the safety and comfort of highway users.

As such, the emergency lane between KM329.9 and KM329.35 (Northbound) is temporarily closed throughout the duration of the works. However, both main lanes, namely the right and left lanes, remain open and operational as usual to ensure smooth traffic flow.

During this period, highway users are advised to observe all safety signs, adhere to the speed limits imposed at the work zone and follow instructions from personnel on site.

Highway users are also encouraged to plan their journeys and obtain the latest traffic updates through the PLUS app, PLUS' official social media channels, including X @plustrafik, and Variable Message Signs (VMS) at selected locations.

For real-time traffic information and highway assistance, including emergencies, highway users may contact PLUSLine at 1800-88-0000.

PLUS appreciates the patience and cooperation of all highway users throughout the upgrading works.
